“ Dear Nelda and family,  
It was wonderful to know Bernice my whole life. She was a neighbor and a dear friend to both my parents Maria and Manuel Medina. Ed and I planned to attend your Mom's services, but my Mom is still in rehab and her caregiver is off this weekend.

You will all be in our prayers. Nell daughter, you were a wonderful daughter to Bernice. I admired the way you spent so much time in California caring for her. I hope we talk soon before you leave for home.

Fondly,  
Ed and Annette fagundes
