To our Beloved Sister in Law and Aunti, Bev. We will miss your lively chatter, smile and your generosity. You always made sure that your Brother in laws were okay and kept up with your nieces and nephews. No worry, Aunti, you are now at peace with no pain. We will take care of your Ohana as you did us. We Love You, will Miss You.

The Ah Tou Ohana.

“ I worked with Beverly for years @ Newark Unified School District and have many wonderful memories of her. She was always cheerful & a very devoted worker. After our retirements we would meet often at mass at Saint Edward's and get caught up on our lives. I will always remember her kindness to my oldest daughter Gina when she lived in New York & was spending her first Christmas away from home. Such a caring lady. I am so saddened by her passing.

“ I worked next to Beverly for several years in the business office. She was always so kind to everyone. I can remember her talking fondly of her family and how much she loved Hawaii. When my son Aaron was born, she worked hard knitting a blanket for him and he still has it today. I have talked to Aaron telling him about her and the kind of person she was. My condolences to the family. I remember just how proud she was of each and every one of you. She and I often had many conversations on our morning break about family and I know for sure how much she loved her family.
