“ I have so many memories. They include blow up bras, gentleman Jack, days on the lakes, and arguing! 😂 Oh, did me and Dan argue — he was right and I was never wrong. And talk about a perfectionist, Dan was a perfectionist to the extreme! Except for Bobbie, nothing was ever perfect until he made it so. 🙄 There will never be another Danny Lee Knowles . We all think that we have tomorrow to try and make things right but that's not always so. So if you have something you wanna say or to clarify with anyone near and dear to you do so because none of us are promised tomorrow. Love and miss you Dan! 💕💕

“ I have many memories of Dan. Some of them involve blowup bras and gentleman Jack and days on the lakes and arguing! Oh Dan and I would argue but mostly because we love each other. We were the opposites but the same. He was a perfectionist to the extreme! There will never be another Danny Lee Knowles. I miss him.

“ *Some of my fondest memories of Dan or when we used to go to Shasta, Ingle bright, and Orville and enjoy boating on the lakes.. I also enjoyed when Dan and I started a hot wheels collection, we went to Milpitas years and years ago and bought a guy is a total collection and then split it up. We had many great times hunting for hot wheels. He help me very much working on my house, he put in the attic ladder for me it still works great I'm going to miss him very much and I loved him very much.*

*Love,
Dan*
