“ Dear Uncle, I will always remember you for being the larger than life, jolly person with a thunderous laugh. You always had time for us even when we were irritating snotty children. We are grateful for the wonderful time you gave us whenever we stayed with you. I remember how you tracked me down in front of a lecture hall in AFMC when I was a medical student, and whisked me off to see the premiere of MANTHAN in Pune with your BLAZE team. Always our uncle...we will miss you but memories of you will stay forever...
