“ I wish to send my condolences to Allen's family and friends. I had the pleasure of hiring Allen at VTA recently. His enthusiasm and lust for life is what drew my attention right away. He was a very special young man and he made his mark at VTA by being the best he could. I will always remember on his first day of work how he shook my hand and thanked me for the opportunity to work with us. It is I, who thanked him. He will be missed.
