

Gloria Juanita Blanca-Mason

March 28, 1927 - October 2, 2015

Our mother is survived by her loving husband Paul Mason, 5 children, countless grandchildren, great grandchildren including a great great grandson. Everyone loved our mother, especially children. In her heart she would adopt many children and they came to know her as Nana. Our mother was half Italian, part English and French. As a homemaker, our mother was fun loving and enjoyed life. In her younger years she would go deep sea fishing and take the whole family camping. She was a member of the Moose Lodge in the 60's and 70's. She did some part time work as a lunch lady for the New Haven School District. She could hardly wait for the next family party. She loved dancing and listening to music, which ranged from opera to Hawaiian and really enjoyed Hawaiian dancing. Filipino, Hawaiian and Mexican food were her favorite foods, and of course being married to a Filipino helped.
