“ Guy, Though we did not know you well you were always the first to wave or smile as we crossed paths, and we could see your love for life.

“ Dear Guy (JUNIOR), You were not only just our best friend but a part of our family. We have so many wonderful and crazy memories together. GM days, Nummi days, and our wild days! We are so happy we had time together and got to see our dream come true, the flat bottom! We are missing you every minute of every day and wish we had more days with you ahead. We know how much you missed your sweet Doris and and it comforts us to know you are with her now. We love you and you will forever be in our hearts.

“ Oh Guy! This is by far the hardest thing I have ever had to deal with. I recall our recent conversations; just two days prior, never in my mind did I think you would leave us. You would always say, "I never thought I would make it past forty, and if I die tomorrow, I have done everything I always wanted, I finally got the last thing I wanted, a v-drive." I know I have a lifetime of memories, yet looking back at the plant closure, I now see it as a blessing in disguise, I am thankful all the time we had together, family, friends, and so many fun memories I will treasure just during this short time period. I know you are happy now, you're with Doris, and you missed her so much. Guy you will always be in my heart, I love you brother, you were the best. You will be missed, but never, never forgotten. XOXO Love Always Tammy

“ Day by day I think of you,
How can all this be true?
I can't believe you're really gone.
Just the thought of you makes me cry, I never got to say good-bye.
You were my brother and I loved you like no other and in my heart
you'll always be. So now I will let you rest and know you are always
by myside.
Rest in Peace Guy-love Sharon
