“ *I was so sad and shocked to hear about Joanne. Even though I haven't seen my cousin in years, I will miss her. She always did love to laugh! And play Barbies with me and Tracey. My thoughts are with the family during this time.*

“ My dear sweet Joanne. Where do I begin. I would have never dreamed when I met you 38 years ago I would be writing on your tribute wall. I cannot believe you are gone. We have been through so much together, so many stories of you and me. Crazy fun times. I never met anyone quite like you. So smart and beyond beautiful, yet so absolutely down to earth. You had the best smile and the wickedest sense of humor. I can't count the times we were flying down some freeway somewhere laughing our guts out... My kids called you Aunitie, your kids called me Auntie. I was trapped in the delivery room when you gave birth to Danielle. So many beautiful wonderful memories. And even though we lost touch, I never stopped thinking about you or loving you. You were and still are always in my heart. My memories of you are long and golden. There will never be another Joanne. I love you my dear sweet friend. Rest in Peace.

“ My mother was full of smile and laughter even in the darkest of times. Her smile and laughter was infectious to those around her. She loved unconditionally and was such a goofball. Those qualities I will miss most. As for the grandkids, they miss most about her is her fun spirit, silly faces and of course all the junk food grandma provided. My mother was a kick in the ass and we will forever miss her.
