“ *The strongest, hardest working and most loving man I have ever known. He gained joy from watching his family grow and was always there for those that mattered most. Although things will never be the same without him, we will always remember all that he has done for us and his memory will live on in our hearts.*

*A mi querido nino:
Gracias por todo lo que habia hecho en su vida. Se que Ud. esta mirandonos en el cielo y ojala que esta orgulloso de nosotros. Su memoria siempre vivira en nuestros corazones.*

“ *Dear Jose and family,
I am so sorry for your loss. Life is so precious, and although we know it comes and goes every day we can never be prepared to have to let go of our own loved one. I feel your pain and I know it?s hard. I pray that God and his angels will comfort you, your mom and your sister in the days ahead. Try to remember the good times and find peace knowing that you will see him again one day.
Love Your forever friend.*

“ Nino you were a good man. The world is a better place because you lived. You were the most important man in my life and have always held a special place in my heart and those of my daughters, Daniela and Marisela. You touched many people's lives with your kindness. You helped many people, not because you had to, but because you wanted to. You will always be loved and will never be forgotten. We will continue to be strong and cherish your memory. Descanse en paz querido nino.

“ My beloved husband was a kind and loving person, he would give it all for his children, grandchildren and myself. He touch my persons in the most simple ways but they were all special to him. He enjoyed helping others in any way that he could and expected nothing in return just their friendship and love. I will always have the most precious memories of the 42 years we spent together.

To him I say:

Chito, siempre estaras conmigo en mi corazon asta que Dios nos vuelva a unir para seguir nuestra vida juntos. Que Descanses en Paz.
