“ *You were def one of a kind. You were always being the best person you can be. You always wanted to do for others...even when you didn't have to much to give.. The world would be a better place if more people had a heart like you have...I've known you for many, many years...since the 6th grade and you've always been a gentle and kind soul. You will always have a special place in my heart, and you will be missed by all of us including my mother Bea Rivera, my brother David Paul Rivera, and my daughter Estella Lopez. You never complained even in your darkest moments...the strength and courage you had were unbelievable...We will miss you John!!!*

“ Juan Ayala was such a great grandfather to my son. Always treated Angel like his grandchild even tho blood those not connect them. Mr.Ayala was a great loving man, a great father to Lena from what i got to see. He was more than a grandfather to his 3 grandkids. He was their guardian Angel always looking out for them, for what was best for him and his family. God has called a beautiful Angel to keep watching over his daughter and grandkids and so they can be safe. May god always bless the Ayala family and my condolences go out to you. Its never easy to loose a loved one.
With much love, Ileana Gonzalez & Family
