“ *I am absolutely heart broken over the loss of Kelly. I have so many fond memories of us growing up together as kids and later on becoming close friends in our adult years. I will always remember teaching Kelly how to ride a bike, roller skating, and making the drive to Dave and Busters just to eat chocolate silk pie late at night. I will cherish our time together and always keep a place in my heart for her. May she rest in peace.*

“ *I would like to give my deepest sympathy and condolences to Mr & Mrs Recore, Matt & his family, to her son Dylan & all of her loved ones during this devastating & difficult time. I first met Kelly when I just moved to Warm Springs and was entering the 5th grade. We became friends instantly. Soon we were having sleepovers, birthday parties at Cal-Skate, camping trips with a pot belly pig and walking Siberian Huskies to 7-11 for a slurpee. We survived Jr High at Horner and then came our High School Years. Although life had different paths for each other we remained friends all these years. Recently her and I both lost our best friends and our furry friends as well. Kelly was always there for support and checking in on me. She will be deeply missed by so many. I thank her for all the great memories and times together and for her unconditional friendship. You may be gone but you will never forgotten. Love You Kelly. Love,
Rose ?*
