“ Larry was there for me and my family after the loss of our daughter. I will never forget his love and unconditional kindness. He drove almost three hours just to sit and talk to us and help us remember that God can heal our broken hearts. Margie, Monique and Little Larry, you are in my thoughts and prayers in this difficult time. I have an image in my mind of Larry up in heaven taking my Samantha in his arms hugging her and singing to her like only Larry could. He is an amazing man and I feel very blessed that I got the gift of knowing him for over 20 years.
