“ *As I said, she always had a hug for me. And I'm sad-and a little angry-that I'll never get that hug again. She is missed, and obviously, from what so many people said today, well remembered.*

I love you Little Sister! I can't believe you will not be texting or talking wiith me any more. You are once again with your fiance Jim and Mom and it is comforting to know you are not alone. Down here on earth there are a lot of hurting heart's. I am so happy that we got to share our life's together. So proud of all you did for "Your (school) kids" I will love you forever and always. You will NEVER be forgotten. Right now I am lost trying to comprehend that you are not here. Kiss Mom for me and may your and Jims love last for all eternity together again. Love you Sis, Kelley
