“ Dear Sylvia, I saw this on FB. I am so very sorry for your loss. I know those words are said over and over, and I know how sometimes it feels empty to hear. But from the whole of my being, I am so very sorry. Love, Kathy

“ My favorite memory of her was back in 2004. She tried to get me to walk from the Embarcadero Bart stop to Fisherman's Wharf. I told her I couldn't make it. She laughed and said she did it a few times and it wasn't that bad. When I got on the street trolley and saw how far it was, I laughed and told her she would've had to carry me. Always full of life and energy. .
