“ *Dear Wolfe Family:*

I am sorry to hear about your loss; death is something that brings great sorrow to all our hearts. We never want to see our dear love ones go. I would like to share a positive hope with you all, that will hopefully bring you all comfort. Its found in Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." This scripture reassure us, that not only will God do away with all the suffering, death being one of them, but how we'll soon see are love ones who fallen in temporary sleep, again. How comforting and loving our Heavenly Father is!
