“ I’ve known PJ since we were just little ones at the age of 5, are backyards met up to each other and he would always be hanging over the fence or jumping it. I’ll never forget all the wonder times we had together growing up through the years. even when I moved to a different part of Fremont we always remained closed, he was my best guy friend and like a brother to me. He could put a smile on my face and get me cheered up in no time, he knew how to brighten anyone’s day. I will cherish all the times we had and all the memories made with him forever. He is forever in my heart and will never be forgotten. Rest In Peace my dear friend/brother! I love you and miss you dearly! Deepest sympathies, love, and respect always to your entire family!  
XO Love Always- Denise Bray-Pruett

“ I remember such great times with J's (PJ), and some I don't remember so well. I can remember hanging with PJ, Joe Barry, Chad Blake and Mike Jagel it seems we were always together. PJ and I worked selling shirts at the Super Bowl, and even joined the Army together, PJ got to be stationed in SF and I was sent to Germany. Suzanne was like a second mom, always had a open door and always kept us in check. PJ was a brother to me always had my back. I will forever miss and love PJ. Rest with the angels my brother. Forever ARMY STRONG in till Valhalla.
