“ *Sister, I will never forget the day you told me that your brother and I should be together because you saw how happy we were when we were together and always laughing. Now we celebrate our 20yr anniversary this year. You have always shown nothing, but love and said so many sweet things to me. I will miss you so much and look forward to the day we are reunited. I am so happy you no longer suffer and are healed. We can see you and your dad dancing to the oldies up there. When I became a grandma, I remember you telling me that you couldn't wait to be one. I'm glad you got your wish and got to spend time with Trina. She's a beauty and I know she brought a lot of joy to your life. Rest peacefully and know that your memory will live on. We love and miss you! ❤️*

I have so many memories of Renee. We have been friends for over 40 years. She was like a sister to me, We partied together back in the days, had so many good times. We would laugh and cry together, we would lean on each other in good times and bad. We often called each other at least every other day. I miss her already. I will always cherish the friendship we had in my heart. My buddy you are no longer suffering and at peace now. And to all the Orta Family, I love you all and share your pain and loss.

I have great memories of Renee, when her and Rachael was about 12, and yes she had that damn beer going on at that age, We went to Niles down where we used to swim and this old man got everyone drunk and then he took us to Denny's to try and sober everyone up. A lot of laughs and good times with this lady for a lot of yrs. I will miss her a lot and my she RIP and won't have to suffer no more.

I have so many memories of Renee, I can not believe she is gone I have known her since around the 7th grade, in our 20s I would go to her house and just hang out, yeah a bar or 2 every now and then, getting her own place, playing music and dancing in her living room, baking her pumpkin pies, partying with her family, many many memories I love you my friend, condolences to the whole family, May you rest in peace, your Dad waiting with open arms. Love your friend Tina
