“ I just found out that Bob is gone and I can't believe it. I'm so sorry. He was such a friendly man. I've spoken with him many times over the last ten years on my walks up Morrison Canyon. He was fondly known as "The Mayor of Morrison Canyon!" It won't be the same without him. He always had the latest news or told very interesting stories from the past. I always felt safe walking that hill knowing his watchful eye was keeping track of all the comings and goings. He made the day for my son's 10th birthday when he let my son's group of friends come up and feed the sheep and lambs and see all his animals. He gave everyone a very delicious orange from his tree and they still talk about that time. Now that my sons are a bit older he was going to let them work with him. He was such a nice man and will be so greatly missed. I'm thankful to have known him. Love and prayers for his family, friends, and neighbors.

“ Bob was a very good friend of my dad. I have very fond memories of spending the day up at Bob's house with my parents. He was always very kind to my sister and I, and loved to invite my family up to his house for wonderful dinners. He is greatly missed by the whole Newray Family, Especially my Dad, Bob.

“ Bobby was so good to my parents. He really seemed to have a heart for the hurting and lonely ones. We will miss him terribly.
