“ *Sandie has been a friend of mine for 43 years. Through out our life time we've managed to love each other unconditional. She has been someone I've admired and looked up to. I will miss her greatly. She's one that can never be replaced. My heart and prayers go out to Sandie as well to her entire families. God bless you.* ”

“ *My name is Marisa van Es and I've know Sandra since I was in my Moms belly. In which they were friends even before I was born or even conceived. I considered Sandra like a second Mom and her family like family to me. I remember when her daughter's where innocent and little too. Sandra will be missed and never forgotten.* ”
