“Saul was a wonderful friend. His smile, kindness, and patience will not be forgotten. I am sure that as on Earth, when we meet again, it will be a delight.

“Saul, while I did not know you, you are part of and still remain Familia! May you find the peace that God our Father promised us and feel no more pain. Eeverytime someone in our family leave us, I am consoled the fact that our Lord, Christ Jesus, does not want our bodies, he wants our heart. So now that your heart is with Him, we are enlightened. We will miss you, but be it know, we will meet one day!
