“ I still remember the first time I met Luchi that I spoke to him in English to which he immediately shot back saying, "You don't have to speak to me in English from now on. I am your provincemate and we both speak Pangasinan." He's a very friendly, pleasant and helpful person who at one point, gave me reading materials for my job advancement. Dude, you'll be missed. This is too soon. Thanks for everything.

For his wife, children and family, may the comfort of God help you during this difficult time. Our deepest condolence!
