“ *Dear Mr. Reynolds, I will miss your smiles, your loving encouragement, and letting me into your circle as a beloved "daughter". I lost my dad many years ago, and having you come alongside asking about my family's well being, encouraging me as a teacher and mother and wife made me feel very special...it was you and Virginia filling that void in my life, and having lost Virginia, it was more difficult for you to carry on...give her a big kiss and hug from all of us who miss her dearly as well - dance away in your eternal heavenly dance floor! We will see you again! love, Elaine Choy*
