“ My daddy, my best friend. Words can't explain how much my heart aches knowing you aren't here. You we're apart of my daily routine and now I feel like something is missing every morning. You put up such a big a fight those past 15 days in the hospital and I'm proud of you for that. Nothing in this world can describe how much I miss you. I'm glad you're finally at peace and not in pain anymore. Keep watching over me like you have been. Till we see each other again. I love you and always will ❤️

Raider fans for life baby cousin. I'll never forget our times together from 1963 till Dec. 3rd, 2014. I always called Vince my baby cousin because he's 3 months younger than me. I was born in January and he was born in April of 1963. Vince always introduced me to all his friends and family as his "crazy cousin Debbie" I love you so much and you'll forever be in my heart n soul. During my Graduation this Saturday I'm gonna shout your name because you were the one that made my pick this school and stuck with me during the entire tour of the campus. I Love you Vince. You may be gone from us but you're up in HEAVEN with your Dad n Mom, Grandpa n Grandma Lupe and many of our other family members that were plucked like beautiful flowers in a garden. You may be gone but I PROMISE YOU'LL NEVER BE FORGOTTEN !!!!

I love and deeply miss you baby cousin,

Your crazy cousin Debbie
